

Webcast Login information for the Biomarkers Workshop - Monday August 3, 2015

Login URL : <https://event.webcasts.com/starthere.jsp?ei=1071711>

No password is required.

Once you have logged on, you will need to register to enter the webcast. Complete the information on the left side of the screen, press submit and follow the instructions.

During the lunch break you will automatically be redirected to the afternoon link. Should you lose connection over lunch please use the following link for the afternoon session (Note: It is different from the morning's session)

No password is required.

The Meeting is scheduled to start at 8:30 AM EST. The webcast will be on-line at approximately 7:30 AM EST so that you can log on and check your system. We recommend using Google Chrome as your browser. Please make sure that you have the latest version of JAVA on your computer. This is needed to view the slides. Those viewing through a MAC OS will need to use a web browser other than Google Chrome, we recommend Safari. Our dual viewer shows both the presenter and the slides on the same screen. The archive will be available for 30 days using the same morning login URL and registration that you used when you logged in.

If you have any questions or technical difficulties, please contact Richard Fazio of Professional Video Associates, Inc. at 301-924-1556 or Rich@pvai.net .
